Lower Duwamish Waterway Tribes, Trustees, and Community (TTC) Follow-up

We hope you are all doing well, staying at home, and staying healthy. We wanted to share some follow-up items from the March 18, 2020 TTC meeting.

EPA Coronavirus Resource Website: EPA has launched its [coronavirus resource website](#). Information is provided in English and several other languages.

EPA Duwamish Facebook Page: During the March 18 meeting EPA mentioned sharing the [EPA Duwamish Facebook Page](#). Information about EPA Cleanup Activities and updates can be accessed on this page.

Duwamish River Cleanup Coalition/Technical Advisory Group (DRCC/TAG) Resources: DRCC has created a living multilingual resource page located under "Covid-19" Resources. This page can be accessed now on the [DRCC Website](#).

Source Control Video: The ["What is Source Control"](#) video was shared by Just Health Action during the meeting. Follow the hyperlink to watch the video created by Just Health Action with Duwamish Youth.

Post Meeting Materials: A summary of the meeting is being reviewed by EPA and Ecology. This summary will be shared with the TTC towards the end of April/early May. Please see attached for a revised Draft EPA Events Calendar shared during the meeting. This calendar has been updated to reflect currently planned events. Note: all dates in the draft events calendar are subject to change over the next few weeks and months.
